

HOSTEL FACILITIES – POLYTECHNIC INSTITUTION

Boys' Hostel

The Boys' Hostel is located close to the main campus and provides a safe, disciplined, and comfortable residential facility for students. It serves as a home away from home and supports students in their academic, personal, and social development.

The hostel is administered by a Hostel Committee comprising the Principal (Warden), Resident Tutor, senior faculty members, parent representatives, and student members. The committee ensures smooth functioning, discipline, and student welfare.

The hostel is well furnished with spacious rooms, shared bathrooms on each floor, a hygienic dining hall, purified drinking water, study room, recreation room with cable-connected LED TV and newspapers, guest room, and a communal kitchen. Mess facilities provide balanced and nutritious food at reasonable rates under a dividing system managed by the student mess committee. Twenty-four-hour security ensures a safe and peaceful environment.

Ladies' Hostel

The Ladies' Hostel is situated in a secure and convenient location near the main campus, offering a safe, supportive, and comfortable living environment for students. It aims to promote academic excellence, personal growth, and overall well-being.

The hostel is managed by a Hostel Committee consisting of the Principal (Warden), Resident Tutor, senior faculty members, parents' representatives, and student representatives. This management structure ensures discipline, safety, proper administration, and student welfare.

The Ladies' Hostel is well furnished with spacious rooms, shared bathrooms, purified drinking water, a clean and hygienic dining hall, study room, recreation room with TV and newspapers, guest room, and common areas. Nutritious and balanced food is provided through a mess system managed by students. Round-the-clock security and a disciplined atmosphere ensure a safe and peaceful stay.
